## **BREEDING GUARANTEE**

All cows and heifers that are stated in the catalogue of Sale to have been served not less than ten weeks before the date of Sale, or to have been running with a bull between dates (the latter of which is not less than ten weeks before the Sale) will be guaranteed by the vendor to be in-calf either to the date or one of the dates of service if more than one is stated, or to a service between stated running dates and to the bull stated in the catalogue of sale unless any alteration is announced by the auctioneers at the time of the Sale. Should any animal prove not to be in-calf, any claim under this guarantee must be made to the auctioneers in writing within 7 weeks of the date of sale. Should any animal which is declared to be in-calf prove not to be in-calf to the date or one of the dates of service or to some date within the running period or periods or to the bull stated as above any claim must similarly be made immediately any evidence in support of such a claim is available and in any case not later than 28 days after the date on which the animal was due to calve according to the date or dates in the catalogue of sale.

## **UDDER WARRANTY**

Unless otherwise stated or announced, any cow in-milk or any heifer in-milk at the time of the sale shall carry a guarantee that she is sound in udder and teats at the time of sale, but no claim under such guarantee can be entertained unless made to the auctioneers within an hour of the close of the last lot except in the case of Herd Dispersal Sales or Breeders' Home Sales when the guarantee period is extended to two hours after the close of the last lot. If the auctioneers are satisfied that the udder is not sound in all respects, the sale of the animal must be cancelled.

**NOTE: At Herd Dispersal Sales or Home Breeders' Sales the vendor must provide adequate facilities for udders to be inspected and for adequate milking facilities to be available for the purchaser in accordance with the warranty.**
