RARE BREED DAY- SATURDAY 29th SEPTEMBER

Excellent entries of stock in the Cattle, Sheep and Poultry sections for the annual sale of Rare and Traditional Breeds, with the added bonus of the Autumn Show and Sale of Welsh Cobs and Ponies, drew a huge crowd to Beeston last Saturday.

A sale ring packed to the rafters heralded the start of the CATTLE sale, for many the highlight of the day, and they weren't to be disappointed. Tremendous pre-sale interest and very much the 'de rigueur' of the cattle world, the Lowline Angus, had the phone lines booked and countless interested parties in this up and coming breed.

The first lot in the ring, Cammall Isolde, a pedigree Lowline cow with her registered heifer calf at foot consigned by Messrs Jones & Pilkington received a phenomenal enquiry, bids came in thick and fast and rose quickly with auctioneer Jonathan Farrall's gavel eventually falling to renowned Angus breeder & local Vet Mr Owen Tunney & daughter Sophie with a winning bid and UK record price of 12,700 guineas (£13,335).

Pictured-Isolde and heifer calf with her admirers-Owen and Sophie Tunney, Ruth and Richard Pilkington, Andrew and Janet Morrison, Steve Jones

Undeterred, the under-bidder, Andrew Morrison wasn't going to be beaten with the next lot, Cammall Blanche, a January 2016 cow with her bull calf at foot, which he took home to Alderley Edge at 5,600 guineas.

Making it three in a row, the same buyer purchased the next two lots, both part-bred Lowline cows with steer calves at foot, for 1200gns and 980gns respectively.

The instantly recognisable white faced traditional Hereford cattle also enjoyed considerable demand. Leading the trade was Albany Linnet, a May 2015 born cow sold with her heifer calf at foot who realised 1280 guineas and made her way home with Nicky Shiers, Llanwrthur. Cover girl, Albany Oyster Girl, sold heavy in-calf to Chater Valley Chai sold for 780 guineas, followed by her December born bull calf at 380 guineas, both to Didy Morgan, Carden, Cheshire.

Joint top price in the Longhorn section went to The Bollin Valley Project with a brace of pedigree cows both with heifer calves at foot. Bollin Misty and Bollin Nina, both by the renowned Blackbrook Strongbow and scanned in calf to Fishwick Poseidon, realised 920 guineas to Caddis Ltd, Marton and Mr J Hodgkins, Gnosall respectively.

Show Champion and first prize any other breed was a superb Red Poll bull from Mark Paddock, Cheadle. Our thanks to Judge Mr John Ball, Betchton who had no hesitation in picking out this very correct, stylish bull. Selling for 1150 guineas, he travelled to nearby Whitchurch with DM & DL Mountford

The **SHEEP** section drew a massive crowd of enthusiasts and breeders, and peaked at 3000 gns for the best of a small selection of Valais Blacknose. Alpine Chrissy, a May 2015 born ewe from the Alpine flock of Steve Jones and Richard Pilkington, Wrexham, elicited fierce bidding completion from breeders at the ringside and on the telephone, and was eventually purchased by Belinda Appleton of Weerite, Australia. She also beat off several other enthusiastic potential purchasers to secure the October 2009 born Alpine Ursla, a Swiss imported ewe, for 1900 gns.

The sale was once again supported excellently by Greyface Dartmoor breeders for their Society Show and Sale. The trade was led by a four year old, 2014 born Bullhornstone ram put forward by S and J Bullock, Rushton Spencer, Leek. This ram had sired Show Champions and sold for 370gns to B Chadwick, Hilton, Derby. The leading shearling ram came from the Muddle flock of Mrs Liz Dawson, Criggion, Shrewsbury, who at 350gns went home with H E Garner, Coton Clanford, Stafford. The Show Championship was awarded to a shearling ewe from the same home, which unfortunately failed to make its reserve, but other runs of shearling ewes sold to a lively trade, peaking at 210gns for a pen of five, all from the Coppiceside flock of E J Dale, Leek, Staffordshire and heading home with Mrs L Newton, Northwich.

Amongst other breeds, top prices were as follows:

Rams-Herdwick to 190gns, 150gns; Jacob to 80gns

Shearling Rams-Border Leicester to 160gns, 140gns; Hebridean to 63gns

Ram Lambs-Kerryhill to 120gns Valais Blacknose Cross to 210gns

Shearling Ewes – Jacobs to 75gns; Hebridean to 38gns; Herdwick to 88gns; Badger faced to 70gns

Ewes – Zwartble to 87gns, Southdown to 58gns, Cotswold to 63gns, Derbyshire Gritstone to 55gns, Jacob to 79gns, Herdwick to 72gns, Kerryhill to 58gns

Ewe Lambs – Zwartble to 57gns, Southdown to 53gns, Jacob to 70gns, Welsh Mountain to 52gns, Kerryhill Cross NC Mule to 102gns, 90gns; Valais Cross to 62gns

The demand throughout was clearly illustrated by the virtually complete clearance of all sheep on offer, with an excellent crowd staying throughout the sale.

Several Pygmy Goats also sold, with Billies to 43gns, 40gns etc., Nanny Kids to 39gns

BUSY DAY AT BEESTON RESULTS IN £2,000 PRICE AT WELSH COB SALE

Combining the Autumn Show and Sale of Welsh Cobs and Ponies with the Annual Sale of Rare and Traditional Breeds Cattle and Sheep drew a huge crowd to Beeston last Saturday resulting in much stronger trade than expected, with several breeders achieving prices well in excess of pre-sale expectations.

Demand for younger, well-bred foals and ponies was very strong throughout, but the sale's highlight was a final call of **£2,000** for Rhydeilian Vixen a two year old Section D bay filly. By Brynithion New Image, a son of the great Thornyside the Terminator and half-sister to the Reserve Champion Section D at the 2011 Welsh Winter Fair, she stood out in the pre-sale display, and when she entered the ring, caused a perceptible increase in ringside atmosphere. After a lively bidding competition between a number of prospective purchasers, she went home with C R Peters, Moore, Warrington.

Brooklands Erin, a nine year old palomino mare made **£710**; with another nine year old mare, this time a 15hh Section D bay Rhodbri Hannah made **£700**. Amongst a number of younger, well-bred cobs the three year old bay colt, registered Section D and standing 15hh, Trevallion Masterpiece, sold for **£650**.

Ridden mares, particularly those with child experience, were also keenly sought after with a six year old grey, Section Arvon Arian, making **£350**, and a four year old, 12hh chestnut roan, Section A Twrog Mefusen, making **£320**.

A large proportion of the well-bred, but unbroken ponies, sold for between £100 and £270, to a wide variety of customers from throughout the North West and Wales.

Similar numbers to that of last week with national numbers hampering trade, that said prices just about stuck to that of last week, with the plainer end looking well sold in comparison to that of the best. The shortage of winter fodder has without doubt flooded the system, however at Beeston nothing gets turned away, with buyers capable of handling more, plus we pay on the day. Can you afford not to sell your cattle on their feet at Beeston, only the live weight system, through a ring, can offer you the competition needed to market your culls to their highest value, and Beeston certainly offers you that. Please don't forget to inform ourselves if your cattle are tested, with a real premium for feeding types, and a bag full of buyers to match. At Beeston we cater for all models, shapes, sizes and nationalities....AND - we pay you on the day!

Please don't hesitate to call Simon Lamb on 07815 188125.

(602 New Season Lambs; 54 Cull Ewes and Rams; 11 Store Lambs)

Another very quiet disappointing day....but maybe our excellent trade will encourage a few more next week!

602 New Season Lambs

Overall Average: 176.1p/kg

Top Spot: 222 p/kg – 40.3 kg Texel Crosses from Brian Ford, Kettlethulme (and to £100.10 for 45.5 kg Texel Crosses from Jackie Trueman)

No doubt the steady demand and lower prices elsewhere had deterred a few vendors.....but our Buyers were all keen from the off, resulting in a final Market Average considerably above other regional Markets this week. More Lambs are needed each week to keep our customers coming! All the very best, Premium quality Lambs over 200p, with Brian Ford just pipping Jackie Trueman's 2 pens to the Top Spot at 222p/kg. All buyers looking for a good level of finish, and, with very few lean, unfinished Lambs in today, there were just enough to keep them all satisfied.

Once again, plenty of heavier Lambs over 180p/kg throughout, making a nonsense of processor deductions for heavier carcasses.

We're not so far away! **Plenty of vendors** from North and East Cheshire, Staffordshire, Shropshire, Derbyshire, N Wales and Anglesey **have found the way to Beeston** to take advantage of our friendly, professional service, consistent trade....and payment on the day!

Don't Forget- We offer a **FREE, Confidential** on-farm advisory service. Please use us to help you! Distance no object. Please call to arrange a visit:

Auctioneer: Simon Lamb 07815 188125

Steers to £715, Heifers to £710, Bulls to £740.

Decent entry of weanling again this month, with over 220 passing through the ring in an hour and a half. A ringside packed to the gunnels, with buyers fairly cautious as they look to reduced feed supplies during the winter. That said trade would be an improvement on the month, particularly for smaller just weaned sorts. The day's top prices were dominated by Richard Hares of Shropshire. Topping the day in each section, bulls topped at £740 for a 9mo pure bred Limousin, steers topped at £715 for a group of three Lim's and heifers to £710 for a pair of 7mo Limousins. Angus steers topping at £580 for a pair of 8mo cattle from J B Beech, Sandbach. With young suckler bred Simmentals from distant traveller Joe Henshall, Chinley to £570 at 4mo. Simmental heifers topped at £520 for John Oakes of Tarporley, with pure Sim bulls to £560 for S P White. Over 35 different purchasers being recorded on the day, thanks to all vendors for their continued support and purchasers for making the sale a success. If you have any weanlings to market or for a free on farm inspection call Simon Lamb on 07815 188125.

GUARANTEED PAYMENT AVAILABLE ON THE DAY.
