COWS START THE NEW YEAR WITH A BANG!

Firstly I would like to wish all our clients a very Happy and Prosperous New Year. Having missed a week due to festive activities, numbers would have been slightly disappointing, however a lot of vendors were waiting to see what the New Year bring in terms of trade. Well I can assure you that trade has begun the year a lot firmer that we ended 2018. Those who entered were without doubt rewarded, and many more could have been sold to vendor's advantage, particularly for the plainer end. Backed up by the averages, with an overall market average for black and whites nearly **10pence** better off than pre-Christmas. Steakers and leaner cattle were a flyer, with the best Holstein continuing to sell from 110 to 125 ppk. Top prices as follows: **179p** (MONT) Clutton; **178p** (MONT) Clutton; **167p** (MONT) Clutton; **157p** (MONT) Clutton; **141p** (LIM) Sandbach; **135p** (SIM) Sandbach; etc. Please don't hesitate to call Simon Lamb.

Today's market average (mostly black and white), coming in at 98.28ppk or £601.42 per head.
(Everything in, including the lean, mean, lame and loopy!)

Black and white cows traded throughout the day at 108p to 120p for meated cows(130p to 150p younger models), 95p to 105p for steakers, 80p to 95p for stronger plain cows and 45p to 80p there after!

MORE CATTLE NEEDED EACH WEEK, DON'T MISS THE TRADE.
Contact SIMON LAMB for further details on marketing your cattle.

(507 New Season Lambs; 111 Cull Ewes and Rams)

Light on numbers, but Heavy on trade! A great start which gave a very Happy New Year to all those producers who supported the first sale of 2019.

507 New Season Lambs
Overall Average: 204.4 p/kg

Top Spot: 237.0p/kg – 45.3 kg Texel Crosses from Graham Ford, Whaley Bridge (and to £116.58 per head for 58.0 kg from Jackie Trueman, Prestbury)

Auctioneer's verdict: Very disappointed with the total entry, but absolutely delighted with the storming trade from start to finish!

All Buyers in great from from the first pen, and MANY, MANY MORE could have been sold at the same level. All vendors very pleased with the results, with Graham Ford managing to knock Jackie Trueman off her customary Top Spot(but only just!) with the best pen of his run making **237 p/kg** to Alam, Lancashire Direct.....but Jackie wasn't far behind, with her best pen at 234p, also at 233p, with Grandad Brian Ford topping at 230p.

48 STORE CATTLE

Auctioneer Jonathan Farrall 07796 952948

A decent show of stores for the 1st Friday back after all the festivities! Trade certainly set off at pace for the New Year, especially those forward types which were in extremely short supply. There was little doubt that more could easily have been absorbed by the packed ringside of buyers.

Unusually, it was the heifers that produced the day's top price, a Sim x from Messrs Riverside, Byley, making £1055. Very close behind was a super pen of Monty steers from Hugh & Ed Langley at Bickley, they made £1025 apiece. Bob Arden sold Angus x steers to £1010 or 201p/kg and Messrs Hollinshead also sold steers over £1000.

If you are thinking of selling stores soon don't forget, trade is often best between January and March, get a few tested before your herd test, make some room and reduce the risk. I'm at your disposal for farm visits if needed, just give me a call 07796 952948.

Don't forget – Weanling sale next week – Friday 11th January
